Multi sectoral
stakeholder
Engagement and
consultation session

A woman with dark hair, seen from the side, is sitting at a desk. She is looking at a large computer monitor. The monitor displays a video conference with nine participants in a 3x3 grid. A webcam is mounted on top of the monitor. The background is a plain wall. The overall scene is dimly lit, with the light from the monitor illuminating the woman's face and the desk.

Executive summary

Donor Engagement Approach

- Following the successful launch of the GBVF Response Fund1 (“the Fund”) on 4 February 2021, Donors are classified into 2 categories:
 - Direct Cash Donations** - Donors in this category are making a direct cash donation, which will then be disbursed as determined by the Board and the Disbursement Committee towards the Fund’s initiatives
 - Indirect Programme funding** – donations in this category are ring-fenced and the funds are to be disbursed to specific projects/initiatives based on criteria to be agreed, and in line with the NSP and GBVF Response Fund1 strategic pillars.

Total pledges:

- Cash
 - Direct cash donations
 - Indirect programme funding
- Pro bono
 - In kind

Summary of donations

Pledged as at 16 August 2021	Direct Cash Pledges	Indirect Pledges	Total
	109 767 100	37 150 000	146 917 100
